Mr. Thomas K. Latimer, Staff Director
Permanent Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Tom:

I am forwarding a package of articles from the "world" press which were critical of, or fall-out from, the House Permanent Select Committee on Intelligence subcommittee hearings on CIA and the press.

I should point out that these are representative only, and by no means are a complete collection. Field stations were not asked to collect these items, rather the enclosed are the result of a quick search here in Headquarters of available foreign press comment.

In our opinion it is likely that similar critical comments occurred in almost every major country in the world on the basis of American and foreign wire service coverage of the Committee's hearings.

Stridently yours,

SIGNED

Assistant Legislative Counsel
